

Meet Your Teacher

Hello!

My name is Lacie. I am 27 years old. I am from Bayfield, a small town in Northern Wisconsin. I have no children of my own but I have 9 nephews and 4 nieces. I also have 1 brother and 3 sisters. I moved to the Appleton area in 2012. It was a big change but I wanted a new adventure. I am a big family person so I try to go visit home whenever I can.

Education

I graduated Bayfield High School in 2008. I went on to receive my Associates Degree in Early Childhood Education from Gogebic Community College in 2011. I have been in childcare since 2009. But have been around kids a lot longer. I am certified in CPR & First Aid. I am also a certified car seat technician.

These are a few of my favorite things..
