Ms. Tiffany

welcome

Welcome to the Blueberry room! I can't wait to watch your child learn and grow. I look forward to getting to know your family!

a little about me

This year will be my 9th year teaching early childhood education. I have been with Kidzland for 2 years. I graduated from Kaukauna High school in 2008 and began working in childcare my senior year in the co-op program. Since then, I have mostly worked with toddlers and infants. I am currently enrolled in an Infant and Toddler program at Northeast WI Technical College. My family lives in Kaukauna and consists of my husband (Dallas), Owen (4), and Mason (2). We also have 2 dogs and 1 cat. In our free time we enjoy getting outside to play, watching movies together, and having family outings.
