A Little About Me

Hello! My name is Sara Nate. I am 30 years old and I have been married to my husband Patrick for 9 years. We have two wonderful little boys Malachi and Levi. We love watching movies, going to Timber Rattler games, Kimberly football games, and going up north during the summer. I have been working in childcare for 11 years and have been employed at only two centers, one in Stevens Point for 6 years, and then here at Kidzland for the past 5 years. I value the importance of stability in your child's day and am dedicated to my job.

My Education

I graduated from Mishicot High School in 2004. I attended UWSP for three years with a major in Early Childhood Education before deciding my heart really was in childcare and working with younger children. I went on to get my Associates Degree in ECE from Mid-State Technical College in Wisconsin Rapids. I have various other certificates and courses that I have taken throughout my 11 years of working in ECE.

Wherever you go, no matter what the weather, always bring your own **SUNSHINE!**

My Childhood

I grew up in Mishicot, WI, which is near Manitowoc. I have two brothers and one sister. I always knew I'd love to work with children when I got older and that is why I kept busy with tutoring, babysitting, and being a nanny for a summer. I also enjoyed playing softball from a very young age, through high school.
