*The days per week that you choose for your child(ren) to be at Kidzland must be set days. If you need varying days then you must choose the “Level” and “Scheduled Days” that your child could potentially need.

Example: Little Josh’s schedule for the school year would be M,W,F only. Josh would be dropped off at Kidzland by 7:00 a.m. and then get on the bus to go to school at approximately 8:15 a.m.. Little Josh would then return to Kidzland from school at approximately 4:00 p.m. and picked up by 5:20 p.m. – the option here would be Level 5 at 3 Days.

If your child’s days will vary, please have your child’s schedule to us no later than the Thursday prior to the week of care.

Add-on Days are considered any days that are not included in your child’s regular schedule but because of extenuating circumstances need to be added, **if available**. Though we will do our best, we cannot guarantee that your requested add-on day(s) will be available.

There will be a maximum of 3 add-on days allowed per family in any (school) calendar year. Add-on days will be charged at \$10.00 per hour/child. If you have used 3 add-on days during a school calendar year, any future add-on days will permanently bump you to the next level. Swapping Add- On Days with regularly scheduled days will not be allowed. Also, when choosing specific levels, please be realistic on how many hours, maximum, your child will be in attendance either before and/or after school. We will be monitoring the hours and if you consistently go over your limit of hours for the level you choose then you will need to be placed at the next level at our discretion.

Regular payment must be made whether your child is in attendance or not.
