

Hello Parents!

School is almost out, and all of us here at Kidzland are settling into our summer routines. We have field trips, walks, lunches in the park, water days, and summer projects scheduled all throughout the coming months! Make sure to keep an eye out for any special notes going home!

Our pictures should be coming back in the beginning of June; we'll be sending them home as soon as they arrive so that you can make any purchases!

Kids on the Move will be returning for our annual summer Dance/Theatre programming. Keep an eye out for additional information going out soon!

Reminders:

-Please make sure your child has sunscreen, a labeled water bottle, and swim gear (labeled) available to use every day

-If you have any scheduled vacations, please let the office know so we can keep the staff up to date on attendance

- Make sure your child has a seasonably appropriate change of clothes in their cubby

Healthy Recipe Ideas:

Watermelon Lemonade:

Ingredients:

1/2 cup white sugar

1/2 cup water

4 cups cubed watermelon

3 cups cold water

1/2 cup fresh lemon juice 6 cups ice cubes

Preparation:

Place the watermelon into a blender. Cover, and puree until smooth. Strain through a fine mesh sieve.

Bring sugar and 1/2 cup water to a boil in a saucepan over medium-high heat until sugar dissolves, about 5 minutes. Remove from heat. Stir in 3 cups of cold water and the lemon juice. Divide the ice into 12 glasses, and scoop 2 to 3 tablespoons of watermelon puree over the ice, then top with the lemonade. Gently stir before serving.
