

Hello Green Grape Families,

We would like to introduce you to Ms. Colleen! Ms. Colleen will be joining the Kidzland team January 12, 2015.

My name is Colleen Asbel and I am married and have a three year old daughter. I have been in childcare for nine years, and love working with the children and seeing them discover and learn new things. I also love that every day is a little different when working with kids. I have two cats and a bunch of fish at home and enjoy hanging out with my family playing games or just relaxing together. I also love doing photography mostly of nature and children.

Sincerely,

Heather Menting
