

Jill Giesen

Everyone's education and learning experiences are unique, and I take that into consideration when providing an educational experience for all.

As your new Program Coordinator, I am dedicated to providing each individual student, staff member, and family member a positive learning experience.

I have been in the Early Childhood profession for the past 19 years and I am excited to be part of the Kidzland Little Chute and Darboy staff. My time will be split between both locations and I am looking forward to meeting many new families.
