

# meet the TEACHER

Ms. Alexis

I graduated in 2013 from Appleton West then continued my education at FVTC for early childhood and graduated in 2016. I have been married since 2019 and have a daughter named Melody. In my spare time we stay pretty busy with activities for my daughter, but I like to be with family and doing fun trips. We are a Disney loving family.

I started working with Kidzland in 2014. My favorite thing about working in childcare is seeing the faces on the children when their lightbulb lights up when they figure out something!
