Ms. Mack

I have 5 siblings and 2 cats. My favorite season is either fall or summer. My family and I love taking trips up north, going to the Saturday farmers market, and playing board games together. I really enjoy reading and spending time with my family. I dance a lot and I plan on getting a dance minor.

In the fall I am going to UW-Green Bay for Early Child Hood Education. I have worked with kids since the age of 10 as well as taking classes in High School. I love how energetic and funny kids can be.
