Ms. Maddie

I was born in 2000 but act much older (most of the time). I have been working at Kidzland since November of 2016 and have loved every moment since! I am a mega Packers/Badgers fan! I love reading, volunteering, watching movies/TV/Netflix, and going to work! I can't wait to graduate and become a lead teacher!

I'm going to school for Early Childhood and have my assistant teaching license. I have taken courses about Early Childhood, Infant and Toddler Care, Special Education, and More! I love working with children and watching them grow into little grown humans.

**My Favorites**
