DIRECTOR

Ms. Mandy

I have been with Kidzland Childcare Centers since 2002, and have worked at all three of our locations covering every position except Administrator. This is an incredibly rewarding career! I love forming a bond with the families we care for and being a part of the children's most important years.

I am originally from RI (Explaining my love for the NE Patriots!) and moved to Wisconsin in 2002. I live in Kaukauna with my husband Matt and our 4 children Kyan, Raegan, Kennedy and Lincoln. We also have a dog named Carma! As a family we love to go on camping adventures, hang out at home watching movies, visit family in Waupaca, and play video games.

My Favorites
