Ms. Cherie

I graduated from Kaukauna High School in 2018 and continued my education at UW Fox Valley before transferring to FVTC in Spring of 2020. I am set to graduate in Fall of 2021 with a degree in Early Childhood Education. I enjoy spending time outside, especially during the summer. I also love to read, do crafts, and bake.

My mom was an early childhood educator, so my love for working with children began when I would go to work with her as a child. I love helping children grow and watching them accomplish their goals.

My Favorites

- FOOD  Pasta
- DRINK  Lemonade
- CANDY  Reese's
- HOBBY  Crafting and Reading
