

meet the TEACHER

Ms. Laura

I am the 4th child out of five. I don't have any children of my own yet, but love spending time with my niece and nephew! I have always enjoyed working with children! I grew up babysitting. In high school I took many child care classes and worked at Little hearts day care through a co-op program. I graduated from Kaukauna high school in 2004.

I started working at Kidzland in 2005. I am certified through the registry to be a lead teacher. I am CPR and First aid certified. I love watching the children grow and seeing the excitement in their faces when they accomplish something new!
