

# meet the ADMINISTRATOR

MS. LORI

A loooooong time ago I attended FVTC for Early Childhood Education.

I had worked at other daycare centers while attending school but eventually left daycare to work at a local papermill.

I missed working with children. Once I had (2) children of my own, I decided to get back into childcare.

(I have 2 sons, Troy and Dakota)

I have been with Kidzland since 1999.

I started as Director and eventually moved into the Administrator position in 2012.

In 2020 I obtained my Administrator Credential through NWTC.
