**EXAMPLE:** Johnny's schedule is M-F each week. He would be dropped off at 7:15 a.m. and the Kobussen bus would pick him up at 8:15 a.m. and drop him back off at Kidzland after school at 3:30pm. You would pick him up at 5:00 pm. You would choose Option 3 = \$100/week.

### IMPORTANT RULES TO REMEMBER:

If you need to change your child's schedule at any time, please check with administration on availability.

If you go over your scheduled daily hours, you will be bumped to the next option for that week.

If check & in and out times show us that you are consistently going over daily hours, you will be permanently bumped to the next option.

Regular payments must be made the Friday prior to care, whether your child is in attendance or not. If your child will need care during school breaks (ie. Spring/Christmas Break), you would pay either the Full Time or Part Time weekly rate, depending on your child's scheduled hours for those weeks care is needed.
