Sydney

Hello. My name is Sydney and I have been working at Kidzland since August, 2020. I love working with children and watching them grow and learn every-day. It has always made my day brighter. I love to spend time with my friends and family. I am an easy going person so I am up for whatever, especially if it involves being outside. Summer is my favorite season because there is so much fun stuff you can outdoors and it doesn't always have to cost something. I love coming to work because no two days are ever the same and there are so many fun activities I can do with the kids.

I currently attend Kimberly High School. I have earned my ACCT and Child development certificates and I am working on Co-op and CAPP Education certificates I am going to UW-Oshkosh next year for Early Childhood Education

My Favorites
